

The National Association of the
Catechesis of the Good Shepherd
United States of America

National Director

The Board of Trustees of the National Association of the Catechesis of the Good Shepherd, United States of America, respectfully announces the search for a National Director who will lead our association in its stated mission to "support catechists, parents and others in the church and beyond, as they grow in their understanding of the religious potential of children."

The Association exists for the purpose of assisting "the involvement of adults and children in a common religious experience in which the religious values of childhood predominate." To this end, the National Director functions as a visionary leader:

- *who holds certificates in all three levels of the Catechesis of the Good Shepherd, has worked extensively with children in an atrium, and intends to continue to work with children in an atrium;*
- *who possesses a deep understanding of the theory and practice of the Catechesis of the Good Shepherd;*
- *who can recognize the many opportunities and challenges facing our organization at this time;*
- *who is able to lift up the many among us who are called to service and/or leadership in our Association;*
- *who is graced with a heart that listens to the voice of our Good Shepherd, exhibiting a love of others that bears witness to a deep love of God.*

Interested members can access a job description and application at
