

### Atrium Update Form

To insure that all atria on our website are up-to-date, we are transitioning to listing only those atria that are linked to a current membership with CGSUSA. This membership may be held by a church or organization where the atria are located or it may be held by an individual (catechist) who is actively involved in the atria. We look forward to sharing the work of the Good Shepherd with you through the National Association of Catechesis of the Good Shepherd.
