

Patti Franz

Patti has been involved in CGS since the early 1990's and is trained in all three levels of CGS. She has served as a volunteer director of CGS for St. Benedict Catholic Church, worked as Development Director for Brophy College Preparatory in Phoenix, and holds a B.S. in Business and a M.A. in Theology.

Patti is completing her second term on the board of CGSUSA. During the past six years, she has worked with the staff and her fellow board members to help bring CGSUSA to a place of financial stability. Through her service she has contributed to: the development and creation of the CGSUSA Sustainability Plan; Leaven, the CGSUSA process for recruiting highly skilled volunteers to help with technology, finance, development; the creation of tHeART of the Child event; the establishment of a finance committee; board education on fund-raising and development; and she chaired the 2017 CGSUSA Annual Appeal.

Patti looks forward to working with the staff and board to see CGSUSA through the 20/20 Vision Strategic Plan and helping CGSUSA plan for long-term financial sustainability. Additionally, she hopes to contribute to plans that will allow for robust regional development and collaboration with members, USCCB, dioceses, and other partners who share a passion for our mission.

Patti Franz

Phoenix, AZ

All Saints Catholic Church
