Sponsor: Annual membership of \$150 or more

Supports the full cost of membership and affirms in a visible way, to families and communities, that the spiritual life of the child is important. Any churches, schools, or regional groups are encouraged to join at this entry level.

Partner: Annual membership of \$500 or more

Answers the call to accompany the workers in the vineyard – the catechists, formation leaders, and others who serve in CGS – by helping to reduce the financial burden on individual catechists.

Collaborator: Annual Membership of \$1000

Works with CGSUSA to offer formation, ongoing education, and to deepen others' understanding of the spiritual life of the child. Collaborative members are signs to the Church and beyond that the religious values of childhood, especially contemplation and joy, are worth cultivating.
