

**THE TINA LILLIG MEMORIAL FUND
APPLICATION FOR GRANT
INFORMATION SHEET**

Dear Applicant,

We welcome your application for a grant from the Tina Lillig Memorial Fund.

One purpose of the Tina Lillig Memorial Fund is to provide missionary outreach to organizations working to open atria in underserved regions of the United States and beyond through grants. Monies for grant awards come from direct donations to the Tina Lillig Memorial Fund from members of the National Association of the Catechesis of the Good Shepherd (CGSUSA) and others who are interested in supporting this aspect of the work.

The applicant **must** be a member of the National Association of the Catechesis of the Good Shepherd. You may go to the National Association of the Catechesis of the Good Shepherd's website, www.cgsusa.org, for information on becoming a member. **Your membership will be verified by the National Association's office before your application will be considered by the Fund's Advisory Committee.**

Types of Grants

Materials: this grant is to be used to defray the costs of materials needed to set up an atrium. It can include the cost of small power tools for the making of materials, the cost of larger materials that need to be purchased and finished by the catechist, or the purchase of other materials necessary for the physical set up of an atrium.

Formation Leader Stipend: this grant is to be used to underwrite a portion of a formation leader's stipend for a course offered by an organization for its catechists (this grant stipulates that the formation leader agrees to offer the course at a reduced rate for the organization).

Total Tuition Support: this grant provides complete tuition for an individual applicant who because of unique circumstances cannot pay any portion of the tuition for a course. This includes members of religious orders that cannot contribute to the tuition costs of a course.

Community Support: Applicants must have strong support from the community in which they will serve. It is expected that the community will make a financial investment in the establishment of atria. Please include on your application the financial support you will receive from your faith community.

The Tina Lillig Memorial Fund grants are generally less than \$500. It is our goal to provide support for the development and growth of atria that need assistance. It is not possible for us to meet all needs completely. Please provide detailed information on the enclosed form regarding your need.

Grant applications are considered by the Tina Lillig Memorial Fund Advisory Committee up to two to three times a year, or as funds are otherwise available for disbursement. Please see the National Association website, www.cgsusa.org, for the applicable deadlines. Applications are considered in the order they are received.

You must fill out **ALL** sections of the application. Incomplete applications will not be considered for support. You will be contacted within two weeks of receipt of your application with further information on the determination process that will apply to your application.

God Bless your work,

The Tina Lillig Memorial Fund Advisory Committee
