Shipping & Handling Policy

Thanks for shopping our website.

Our goal is to ship your order within 3-5 business days from the time your order is placed. We ship via USPS using Flat Rate Priority Mail shipping. We have found this to be the best option for our customers, we can ship more without weight being an issue.

Our offices are open Monday thru Thursday, so orders placed on Thursday may not be shipped until Monday.

We ship domestically as well as internationally.

Please allow extra time during May, June, July and August to avoid not receiving your order in time for your training. We see a high volume of orders during that time.

We are small, staffed office with many works to be done, so we will do our best to accommodate special orders and any issues that may arise.

Our Shipping Philosophy

We want you to receive your order as quickly as humanly possible.

We are not "profiting" from shipping we attempt to charge you what we are charged and that includes packing materials, supplies and staff time.

***Please note on our website, we have a small issue with the initial shipping charge you may see, usually \$30. If you see this, please continue with your order and it will correct itself before you submit. If it does not correct, please call our office at 480-874-3759, so we may assist you with your order. It is our pleasure to serve you and we look forward to providing the resources you need in a timely and friendly way.**
