

The United States Association of
The Catechesis of the Good Shepherd

Dear Friends of the Catechesis of the Good Shepherd,

In the early days of the Catechesis, Sofia Cavalletti and Gianna Gobbi were surprised to discover how much the children craved a relationship with God. Given a supportive environment, the children revealed to Sofia and Gianna a new way of seeing and knowing God. As they witnessed the children falling in love with God, they too fell in love with both the religious potential of children and also, with this new face of God that had been revealed to them, a God who sought a relationship with our youngest and smallest in a most miraculous manner.

As servants to the child through the United States Association of Catechesis of the Good Shepherd, we are inspired to continue Gianna and Sofia's legacy. Thus, we approach our work with prudence and modesty, exercising a long-term view in order to sustain this gift of the Catechesis. One way in which we do this is to invite you to consider Planned Legacy Gifts to our association. Your foresight and generosity ensure the longevity of our service to the children in atria around the country.

The enclosed packet illustrates a variety of ways in which your support of CGSUSA can endure in perpetuity.

We thank you from the bottom of our hearts for your consideration.

In Our Good Shepherd's Love,

Claudia Pétursson,

CGSUSA Board Member and Development Chair
