

2020 Nominee to the Board of Trustees

Erin Miller

I began my journey in Catechesis of the Good Shepherd in 2015 and realized very quickly the Good Shepherd was calling me to stand as a witness to his love for the smallest in His flock for the rest of my life. I am grateful to witness every moment the children share with God in the atrium, but I am particularly overcome with gratitude when I get glimpses of the tender relationship my own children have with the Good Shepherd as a result of our family's involvement in CGS. I have been blessed to serve as a level I, II and III catechist and complete formation in all three levels. Recently my family moved, and we are working to create a Level I atrium in our new parish where we anticipate CGS will flourish.

I made definitive promises in the Secular Order of Discalced Carmelites in 2016. From 2017-2020 I served on the council of my Secular Carmelite community. I accepted the community's nomination to be formation director for the 2020-2023 triennium.

I received a BA in international studies and Spanish from the University of Dayton (2008) and a Master of Public Administration with a focus on nonprofit leadership from the University of North Carolina-Chapel Hill (2010). I joined the government relations office at Cleveland Clinic in 2010 and later moved to Cleveland Clinic's Philanthropy Institute to support front line fundraisers through prospect research. In 2016 I joined the staff of Little Flower Parish as Coordinator of Children's Formation, where I was privileged to work on a team of incredible catechists to nurture a dynamic CGS ministry. I stepped down as a parish minister in 2018 to begin homeschooling our five children but continued serving as a catechist (as I had since 2010) until our family moved and joined a new parish. I hope my professional experience in nonprofit program administration, prospect research and parish ministry could be of service to furthering the mission of CGSUSA
