Shipping & Handling Policy

Thank you for shopping CGSUSA.ORG!

Our goal is to ship your order within 3-5 business days from the time your order is placed. We ship via USPS using Flat Rate Priority Mail shipping. We have found this to be the best option for our customers, we can ship more without weight being an issue.

Our offices are open Monday through Thursday, so orders placed on Thursday may not be shipped until Monday.

We ship domestically as well as internationally.

Please allow extra time during May, June, July and August to avoid not receiving your order in time for your training. We see a high volume of orders during that time.

We are small, staffed office with many works to be done, so we will do our best to accommodate special orders and any issues that may arise.

Our Shipping Philosophy

We want you to receive your order as quickly as humanly possible.

We are not "profiting" from shipping. We attempt to charge only what it costs CGSUSA to ship items inclusive of packing materials, supplies, and staff time.

Each order shipped includes a base shipping charge of \$5.00, and individual books and items carry an additional "per item" charge. It is more economical to place and ship multiple items rather than single items individually.

Bulk shipping discounts are available for large orders. If you do have a bulk order, please contact orders@cgsusa.org for information on how to place bulk orders.
